

Collection & Use of Data Privacy Policy

CAREPAY Solutions Ltd – Collection & Use of Data.

CAREPAY Solutions Ltd is the sole owner of the information collected on our websites. We have access to and collect information that you voluntarily give us via email, phone, surveys, forms or other direct contact from you.

We will use your information to respond to you, regarding the reason you contacted us. We will not sell or rent this information to anyone.

Unless you ask us not to, we may contact you via email in the future to tell you about our services, new products, changes to this privacy policy.

If submitting any personal information about others, you represent and warrant that you are authorised to do so and that you have obtained the required consent to our Terms of Use and Privacy Policy.

If applicable law allows you to supply the information without authorisation, you represent and warrant that you have abided by that law and that it allows us to receive and disclose the information under this Privacy Policy without any further action on our part. You agree to compensate, defend and hold harmless CAREPAY Solutions Ltd, its subsidiaries, officers, directors, employees, agents, sponsors, and supporting artists, licensors and suppliers for any failure by you to comply with this paragraph.

Personal Information and Business Information.

“Personal Information” as used in this Privacy Policy, is information that we directly associate with a specific person or entity, such as name, address and email address. Please note that any payment information we use is not stored by us.

The Personal Information you provide will vary based on the context, and we will not collect your Personal Information unless you make it available. You are not required to provide Personal Information at any time while visiting our websites, however, you may be required to provide Personal Information to use certain Services.

You may provide us with Personal Information by participating in online surveys, subscribing to newsletters and other recurring offerings via our websites, and in connection with other products, services, features, or requests made available through our websites.

CAREPAY Solutions Ltd collects the business information necessary to enable us to respond to your requests for our products and services and to send you information regarding our products and services from time to time. Since most of the users of our products and websites are doing so in their capacity as employees, care settings or companies, the most business information we collect will be in that capacity (rather than information about you individually). For these purposes, we have defined “business information” as any information that identifies or may identify a care setting, company or an individual contact at a company or that allows others to contact a care setting, company or an individual contact at a company.

When you visit our websites, you may be asked to submit information such as e-mail address, care setting company name, address, phone number, your product and/or areas of interest. We may also ask you where you heard about our company or products, or for other information that will help us understand more about your needs or help us process your requests for information.
